

The Citizens Inn Administrative Office (81 Main Street, Peabody) will be closed beginning March 27th through the end of June for renovation. We will temporarily be relocating to WorkTank Peabody at 58 Pulaski St.

If you have any questions or concerns, please call our main line at (978) 531-9775 and leave a detailed message. Someone will return your call as soon as possible.

Due to the pandemic and the renovation, we cannot accept In-Kind donations. **Please do not leave any in-kind donations at 81 Main Street or 58 Pulaski Street.** We appreciate your understanding during this time.

Our Haven from Hunger location at 71 Wallis Street will continue to accept food donations during this time.

As soon as we learn more about the timeline of this project, we will post an update.
