Citizens Inn is excited to announce the launch of our Inn To Opportunity Comprehensive Campaign. Our organization has grown dramatically over the past several years, in direct parallel to the increased needs within our community. The vulnerable populations we serve need comprehensive services – now more than ever – to address the root causes of their instability.

Join us for a behind-the-scenes tour of our nearly finished renovation at our Haven from Hunger program. Learn about the food insecurity and homelessness that our community faces and how we will partner with you to transform those challenges Inn To Opportunity.

All guests will be required to wear masks during the indoor tours. Reception with live music and refreshments will take place outside to maximize the health and safety of our guests.

Kindly reply by October 8th.

Please visit <https://bit.ly/3z5u5DQ> to choose a 15 minute tour time for each individual attending.
