Everyone deserves safety, dignity and hope — to have shelter from the weather, heal when they are sick, and share meals in a place where they can grow and flourish as part of a community. For 39 years, Citizens Inn has worked toward ending homelessness and hunger across the North Shore. Our mission calls us to support everyone with dignity and respect, as they live in our emergency shelter, Citizens Inn Between; our sober living transitional housing shelter, Citizens Inn Transition; our affordable housing units, Citizens Inn Homes; or join us for meals as part of our Citizens Inn Haven from Hunger program. Through our work, we not only provide a safe place to stay and a meal on the table, but offer tools to empower families and individuals to find permanent solutions to break the patterns of instability in their lives.

Citizens Inn Haven from Hunger distributes over 2 million pounds of food annually through our food pantry program and serves approximately 15,600 meals through our community meals program.
