INDEPENDENT AUDITORS' REPORT

To the Board of Directors
Citizens Inn, Inc. and Inn Transition, Inc.
Peabody, Massachusetts

Opinion

We have audited the accompanying combined financial statements of Citizens Inn, Inc. and Inn Transition, Inc. (non-profit organizations), which comprise the combined statement of financial position as of June 30, 2022, and the related combined statements of activities and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the combined financial statements referred to above present fairly, in all material respects, the financial position of Citizens Inn, Inc. and Inn Transition, Inc. as of June 30, 2022, and the changes in their net assets and their cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statement section of our report. We are required to be independent of Citizens Inn, Inc and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these combined financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibilities for the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statement as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion.

Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statement. In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statement, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statement.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Citizens Inn, Inc. and Inn Transition, Inc. internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statement.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Citizens Inn, Inc. and Inn Transition, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Report on Summarized Comparative Information

We have previously audited Citizens Inn, Inc. and Inn Transition, Inc.'s 2021 combined financial statements, and we expressed an unmodified audit opinion on those combined financial statements in our report dated January 26, 2023. The prior year summarized comparative information is not intended to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2021, is consistent, in all material respects, with the audited combined financial statements from which it has been derived.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated February 3, 2023 on our consideration of Citizens Inn, Inc. and Inn Transition, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters.

The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Citizens Inn, Inc. and Inn Transition, Inc.'s internal control over financial reporting and compliance.

Our audit was made for the purpose of forming an opinion on the financial statements of Citizens Inn, Inc. and Inn Transition, Inc., taken as whole. The supplementary information included in Schedules A, B, and other supplementary schedules is presented solely for the purposes of additional analysis and is not a required part of the basic financial statements. Such information is the representation of Citizens Inn, Inc. and Inn Transition, Inc.'s management and has not been subjected to the auditing procedures applied in the audit of the basic financial statements, and, accordingly, we do not express an opinion on it.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT
OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE
WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors
Citizens Inn, Inc. and Inn Transition, Inc.
Peabody, Massachusetts

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the combined financial statements of Citizens Inn, Inc. and Inn Transition, Inc. which comprises the statement of financial position as of and for the year ended June 30, 2022, and the related statements of activities, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated February 3, 2023.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered Citizens Inn, Inc. and Inn Transition, Inc.'s internal control over financial reporting (internal control) to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control. Accordingly, we do not express an opinion on the effectiveness of the Entity's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

To the Board of Directors
Citizens Inn, Inc. and Inn Transition, Inc.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Citizens Inn, Inc. and Inn Transition, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

This report is intended solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

NOTES TO COMBINED FINANCIAL STATEMENTS

NOTE 1 – NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Organization was incorporated in Massachusetts as a nonprofit Organization on June 20, 1983. The stated purpose is to provide shelter and support services for families experiencing homelessness, develop and maintain permanent affordable housing and advocate for social and economic issues for low-income families. In an effort to propel further the mission of the Organization, the Organization merged in 1999 with the Communities Land Trust (also known as Inn Homes). This effort is devoted to preserving and creating affordable housing opportunities for low-income individuals and families. Inn Transition, Inc. was incorporated in Massachusetts as a nonprofit Organization on November 28, 2007. The stated purpose is to own, manage, and maintain residential real estate for the housing and benefit of families experiencing homelessness and low-income families. The Organizations operate five programs:

Family Emergency Shelter – Inn Between

The Inn Between, opened in 1985 provides emergency shelter to 26 families experiencing homelessness referred by the Department of Housing and Community Development (DHCD). The shelter also includes one family in its "community room" which is not funded by DHCD. The families are housed at two congregate shelters in Peabody at 25 Holten Street and 42 Washington Street. Larger families are served through the Inn Between Scattered Sites, sheltering families experiencing homelessness in apartments in Peabody and Lynn, Massachusetts. Families experience homelessness for many diverse and complex reasons which include high rents, low-paying jobs, lack of education and training, bad credit history, addiction, and domestic violence. The main objectives are to assist the families in accessing affordable housing, fostering family preservation and independence, helping each family to reach its social and economic potential. We approach this work with a trauma informed housing first methodology making sure the focus is on housing stability while providing programming for the parents and children we serve through our Children's Enrichment Center and Career Link programs.

Family Sober Living Inn Transition

The Inn Transition, opened in 1990, provides sober-living transitional housing for eight families experiencing homelessness and is funded by the Commonwealth of Massachusetts, Department of Public Health.

NOTE 1 – NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continued

Families arrive from more intensive treatment programs to complete their early recovery at Inn Transition. This program emphasizes relapse prevention, financial and personal independence, education and job skill improvement leading to work opportunities, childcare and housing. Programming from the Children's Enrichment Program includes parent-child workshops, resiliency building in kids, expressive arts therapy, yoga and nutrition.

In December 2007, the Organization acquired the properties at 40-42 Washington Street, Peabody, where the Inn Transition is located. The property, which had been leased for many years, was purchased to facilitate the development, construction and renovation of program space and family rooms. A complete renovation of the Inn Transition building resulted in living and program space that is exceptional, allowing for 16 families to be served comfortably and with dignity. Also, at that time, the Inn Transition Condominium Association was formed. This association is comprised of 2 units, Inn Transition Inc. at 42 Washington Street (the entire Inn Transition shelter facility) and the program offices are at 40 Washington Street.

Through Inn Homes, the Organization currently owns three apartment buildings in Peabody with a total of 8 units. These units are a combination of studio, one, two, and three-bedroom apartments. All of the units are rented below market rate to very low-income families. In December 2021, the Organization sold two apartment buildings on Lowe Street and Northend Street recognizing a gain on the sale of the properties of \$1,018,989 during the fiscal year ended June 30, 2022. The Organization also recognized debt forgiveness of \$120,609 as part of the release of the affordable housing restriction through the North Shore Home Consortium.

Housing Stabilization

Another accomplishment for the Organization was being awarded a Housing Search & Stabilization (HS&S) contract as part of the same 2009 DHCD re-contracting. This program provides services to the 25 CAH families experiencing homelessness.

The HS&S program provides intensive housing search aimed at decreasing the length of stay at the shelters as well as providing a minimum of twelve months housing stabilization services once a family is relocated to an apartment. The Housing Search and Stabilization Specialist remains in contact with each family, once housed, for over a year to ensure each family remains secure and independent. The Organization provides stabilization services for families moving on to permanent housing. On November 1, 2020, Citizens Inn entered into a contract with Peabody Housing authority to assist families in their portfolio in assessing the risk posed to their tenancy and preventing eviction and potential homelessness. During fiscal year June 30, 2022, this work was expanded to the Resource Center at Citizens Inn Haven from Hunger at 71 Wallis Street.

Career Link

Career Link is a shelter-to-work program designed to provide residents with career counseling, skills development, job search assistance, GED tutoring, help with college entrance and financial aid applications and mentoring.

Haven from Hunger

In July of 2017, Citizens Inn merged with Haven from Hunger, creating one organization to better help local families and individuals leave hunger and homelessness behind. Haven from Hunger's work at the time of merger included a food pantry and a community meals program at 71 Wallis Street in Peabody. The Organization has reinstated the summer lunch program for Peabody students on summer break who no longer have access to free and reduced food at school. During the pandemic, food was provided during the school year, while cafeterias were closed. The Organization completed a successful pilot of our culinary training program for clients in partnership with North Shore Community College. Renovations were made to the kitchen, allowing the Organization to create a revenue stream by renting out the commercial kitchen when not in use by other programming.

During fiscal year ended June 30, 2022, Citizens Inn Haven from Hunger has completed a renovation to increase revenue potential with more two new cooking lines available for rental and provide our community with a resource center to help assess and address the root cause of their food insecurity.

The Organization is the sole owner of Inn Transition, Inc. The activity of this affiliate has been combined in these financial statements to provide more meaningful financial presentation. The combined financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). The significant accounting policies followed by Citizens Inn, Inc. and Inn Transition, Inc. are set forth below:

Financial Statement Presentation

The Organization reports information regarding its financial position and activities according on two classes of net assets that are based upon the existence or absence of restrictions on use that are placed by its donors: net assets without donor restrictions and net assets with donor restrictions. Net assets with donor restrictions are subject to donor-imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Net assets without donor restrictions are resources available to support operations and not subject to donor restrictions. The only limits on the use of net assets without donor restrictions are the broad limits resulting from the nature of the Organization, the environment in which it operates, the purposes specified in its corporate documents and its application for tax-exempt status, and any limits resulting from contractual agreements with creditors and others that are entered into in the course of its operations.

The Organization's unspent contributions are reported in net assets with donor contributions if the donor limited their use, as are promised contributions that are not yet due. Contributions of property and equipment or cash restricted to acquisition of property and equipment are reported as net assets with donor restrictions if the donor has restricted the use of the property or equipment to a particular program. These restrictions expire when the assets are placed in service.

NOTE 1 – NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES – Continued

When a donor's restriction is satisfied, either by using the resources in the manner specified by the donor or by the passage of time, the expiration of the restrictions is reported in the financial statements by reclassifying the net assets from net assets with donor restrictions to net assets without donor restrictions. The Organization has Net Assets with Donor Restrictions of \$90,000 as of June 30, 2022.

Management Estimates

The preparation of the combined financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cash and Cash Equivalents

The Organizations consider all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

Accounts Receivable

Accounts receivables are stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts through a provision for bad debt expense and an adjustment to a valuation allowance based on its assessment of the current status of individual accounts. Balances that are outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to accounts receivable. The Organization does not have a policy to accrue interest on receivables. As of June 30, 2022, management has determined any allowance would be immaterial.

Except for tenant accounts receivable, the Organization has no policies requiring collateral or other security to secure the accounts receivable. The Organization maintains tenant security deposit accounts totaling \$6,094 in the name of the tenants and the Organization at local banks. Tenant security deposits are used as collateral in the event of non-payment of rent. The Organization has a policy to collect one month's security deposit from tenants.

Promises to Give

Contributions are recognized when the donor makes a promise to give to the Organization that is, in substance, unconditional. Unconditional promises to give are recognized as revenue and as assets, net of allowances, in the period in which the promises are made. Unconditional promises to give are recorded, in the year received, at the present value of estimated future cash flows. Conditional promises to give are recognized only when the conditions on which they depend are substantially met and when the promises become unconditional. Unconditional promises to give are periodically reviewed to estimate an allowance for doubtful accounts. Management estimates the allowance by review of historical experience and a specific review of collections trends that differ from scheduled collections on individual promises. As of June 30, 2022, management has determined any allowance would be immaterial.

Property and Equipment

Acquisitions of property and equipment in excess of \$2,500 are capitalized at cost or if donated, fair value on the date of receipt. Depreciation is provided for in amounts sufficient to relate the cost of depreciable assets to operations over their estimated service lives. Improvements, including planned major maintenance activities are capitalized, while expenditures for routine maintenance and repairs are charged to expense as incurred. Upon disposal of depreciable property, the appropriate property accounts are reduced by the related costs and accumulated depreciation. The resulting gains and losses are reflected in the combined statement of activities.

The Organizations compute depreciation using the straight-line method over the following estimated lives:

Buildings	27 ½ years
Buildings and improvements	15-40 years
Leasehold improvements	15 years
Playground	5-10 years
Furniture and equipment	3-10 years

Impairment of Long-Lived Assets

The Organizations review its investment in real estate for impairment whenever events or changes in circumstances indicate that the carrying value of such property may not be recoverable. Recoverability is measured by a comparison of the carrying amount of the real estate to the future net undiscounted cash flow expected to be generated by the property and any estimated proceeds from the eventual disposition of the real estate. If the real estate is considered to be impaired, the impairment to be recognized is measured at the amount by which the carrying amount of the real estate exceeds the fair value of such property. There were no impairment losses recognized as of June 30, 2022.

Income Taxes

The Organizations qualify as agencies formed for charitable purposes under Section 501(c)(3) of the Internal Revenue Code (IRC) and therefore are not subject to income tax. The Organizations are not private foundations under Section 509(a)(J). Certain unrelated business income, as defined in the IRC, is subject to federal income tax. For the year ended June 30, 2022, there was no liability for tax on unrelated business income.

Inn Transition, Inc. is exempt from federal and state income tax under Section 501(c)2 of the Internal revenue Code and therefore is not subject to income tax. Accordingly, no provision for income taxes is included in the combined financial statements.

For the year ended June 30, 2022, the Organizations have determined that they have not taken any tax positions which would result in an uncertainty requiring recognition in the accompanying combined financial statements. The Organizations' tax returns for the years ended June 30, 2020 through 2022 are subject to examination by the Internal Revenue Service.

Revenue Recognition

The Organization earns revenue as follows:

Grants

Grants are received from state governmental agencies and various other grantors associated with specific programs. Various grants are subject to certain barriers according to each agreement whereby revenue is recognized as the barrier is met. Grants that are unconditional recognize contribution revenue that increases net assets with donor restrictions when the grant is received or promised to give, and amounts are released from restrictions when the restriction has been met. Grants with donor restrictions received and released in the same period are included in grants and donations without donor restrictions.

Contributions with and without Donor Restrictions

In accordance with ASU 2018-08, which clarifies the accounting guidance for not-for-profit entities surrounding contributions received and contributions made, the Organization must evaluate whether a contribution or promise is conditional or unconditional based on barriers that must be overcome. Contributions without donor restrictions are recognized as revenue when received or unconditionally promised. Contributions with donor restrictions are recorded as revenue and increases net assets with donor restrictions. Contributions of property and equipment are also reported as revenue and increase in net assets with donor restrictions if the donor restricted the use of the property or equipment to a particular program, as are contributions of cash restricted to the purchase of property and equipment. Donor restrictions on contributions of property and equipment or assets restricted for purchase of property and equipment are considered to expire when the assets are placed in service. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the Statement of Activities as net assets released from restrictions.
